Short Response Essay Questions

Please answer the following questions on a separate page and attach responses to this application:

1. What interests you about the AP Computer Science Principles Class?
2. Describe some of your qualities that will contribute to your overall success in the class.
3. Describe your most satisfying learning experience, in OR out of school.

Additionally, please attach:

- Letter of recommendation from a teacher or counselor
- Copy of your most recent school report card
- Copy of scores from any of the following standardized assessments: NWEA, MAP, or PSAT, if available
- Additional materials which demonstrate your readiness for AP Computer Science Principles (tests, projects, assignments, etc.)

I understand that entrance into the AP Computer Science Principles class requires an independent, self-directed learner interested in furthering their education beyond their grade level. I am willing to put in the extra work and effort in order to progress at an accelerated pace.
