

Lesson Plans for Expectations

BE COOPERATIVE

Definition and Critical Attributes:

Completely prepared for immediate action.

Examples:

Accessible materials
Alert and attentive

Non-Examples:

Tardy
Out of desk
Books and papers scattered

Activities to enhance concept development:

1. Folders out/ Journals on desk
2. Have students list examples and non-examples.
3. Have students choose an example to role-play for the class. The class must decide which example was performed. (**Students NEVER role-play examples of what not to do.**)
4. Students can also present examples/non-examples in written or picture form.
5. Assign topics for journal entries related to the concept of **respect**.

Activities to check for understanding:

“What did we learn today?” Students list examples.

Activities to extend concept development:

Illustrations
Graphic organizers
