

Providing students an earlier, engaging, and FREE path to an associate degree

Quick Facts:

- Qualified students will apply during grade 10, begin program in grade 11, and work towards completion in grade 12 and 13.
- All tuition, fees, books, and course-required materials are paid for—no cost to the student. Transportation to MCC and on-campus food costs will be the family or student's responsibility.
- For the first two years, the Career-Tech Center bussing is available for many classes offered at NC RESA.
- Program offers: regular cohort meetings, mentoring, networking opportunities, practical skills development, and supportive staff.
- Application materials can be found in your counseling office or online: ncresa.org/ecnc.

Why ECNC?

More than 60% of jobs will require a post-secondary degree/credential by 2020. Now, more than ever, it is critical to obtain education/training beyond high school to secure an in-demand career.

Hear what students are saying!

"I enjoy meeting new people and having independence. I can take classes that I like now, and have made several new friends through the program that will last forever." – Rachel Burke, 2019 Cohort

"I saw this as a great opportunity to get a head start on college classes." – Luke Cook 2019 Cohort

"I enjoy making friends from a different school and getting to try a difficult challenge." – Dakota Gleason, 2020 Cohort
