

## **NC RESA Sale of Obsolete Property Procedures**

Obsolete property items are posted on the first business day of each month and are posted for the full month. NC RESA reserves the right to post a minimum bid for items that have a value for scrap such as shop equipment or vehicles. Items with no scrap value are posted at \$1 minimum. Prospective purchasers can view all district listings from either the district website or search <http://grandrapids.craigslist.org> under the title, "NC RESA Sale of Obsolete Property." Postings include information and photos about items for sale, along with the time and location where items can be inspected.

Anyone interested in making an offer for a posted item must print the posting, complete the information requested and deliver or mail to:

***NC RESA Maintenance Department  
Sale of Obsolete Property  
4490 West Career Pathway  
Fremont, MI 49412***

All offers must be received before **3:00 p.m. on the last scheduled work day** of the posting month in order to be considered. Offers are not disclosed to other prospective purchasers, so best offers are encouraged. At the close of the month, the person with the highest qualified offer will be notified that their offer has been accepted. Removal of equipment is the responsibility of the purchaser, and must be removed within 10 calendar days from notification of the accepted bid.

Payments can be in the form of cash, money order, cashier's check, MasterCard or Visa credit card. If the purchaser fails to pick up the item, it is offered to the person with the next highest bid. If no offer has been received for an item, that item will be re-posted or disposed of without further consideration.

All items are sold as is, in their current condition and location. The Newaygo County RESA Board of Education reserves the right to reject any or all bids, to waive any irregularities in any one bid, or to accept any bid deemed in the best interest of Newaygo County RESA.
